

ADRION NEWSLETTER Issue #2

Dear Reader,

Welcome to the 2nd edition of the ADRION Newsletter! We are glad to share with you the latest news and updates of the Programme. In this issue you will know more about:

- The facts and figures of the 3rd Calls for Proposals
- ADRION at the 2019 edition of EU Regions Week
- ADRION Programme Day in Montenegro
- The project of the month: I-STORMS

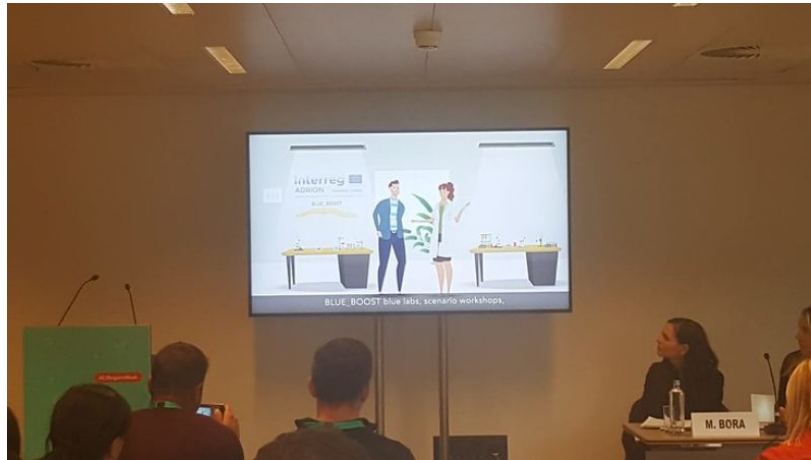

Enjoy your reading!

Facts and figures of the 3rd Calls for Proposals

On 13th September the Programme closed its **3rd Calls for Proposals** covering the following topics: *Smart Specialization Strategy (S3) on Blue growth* and *Social Innovation* for Priority Axis 1 devoted to innovation; *Maritime Transport* and *City Transport* for Priority Axis 3 devoted to transport. This article provides you with a snapshot of the country participation to the calls and the financial resources available in comparison with the received project applications.

The ADRION Programme at the EU Regions week

The **European Week of Regions and Cities** is an annual four-day event during which cities and regions showcase their capacity to implement European Union cohesion policy proving the importance of the local and regional cooperation. **ADRION** was part of several initiatives in which Programme's funded projects were showcased as good examples as well as exhibited at the Agora exhibition hall. Read through the report of the event to have more insights.

The ADRION Programme Day in Montenegro

The Port of Bar in cooperation with the European Integration Office organised the **ADRION Programme Day**, an event dedicated to show the first results of the ADRION funded projects in **Montenegro**. The event took place at the Port of Bar on 19 September and involved project representatives and institutional stakeholders. A roundtable was organised in order to discuss project implementation, successful stories and increase synergies among Montenegrin beneficiaries and stakeholders.

PROGRAMME UPCOMING EVENTS

13 November - 2nd Coordination meeting with National Controllers

14th November - Seminar on the risks of fraud in relation to the use of ETC's funds

11th December - 1st CAPITALISATION EVENT for projects funded under the 1st call

PROJECTS IN THE SPOTLIGHT: I-STORMS

The **I-STORMS** project aims at improving early warning and civil protection procedures to safeguard the Adriatic-Ionian area from sea storms. The aim is to enhance transnational cooperation, sharing knowledge, data & forecasts through joint strategies dealing with sea storm emergencies. The project looks at improving countries' capacities on data interoperability, early warning & civil protection procedures.
