ADRION Capitalization

Capitalization activities

Building the “**capital**” of the Programme: the knowledge based at projects’ level including good practices, outputs and policy experiences. In addition, ADRION Capitalisation aims to shed light on future territorial needs and potentials in the Programme area.

Objectives

- Accessible results
- Increase impact of project results
- Increase raising awareness
- Enhance future ADRION positioning

Three levels of interventions

- Project level
- Territorial level (support of local and regional authorities)
- Programme level (increase project results visibility)

Target Groups

- ADRION projects working on similar or complementary topics
- End-users
- Stakeholders (EUSAIR, public and private bodies in the Adriatic-Ionian region)
- Policy makers

Types of activities

- Digital library
- Events
- Analysis of the results, building the Programme knowledge (Thematic Clusters)

ADRION Thematic Clusters: current state of play

ADRION Thematic Clusters: current state of play

Towards sustainability
in cultural and natural
tourism destinations

It addresses to the multifaceted aspects characterising tourism, like: sustainable water management in coastal areas, common branding, revitalization of not tourist area of minor relevance and promotion of local agri-food sectors, digitalization of cultural heritage, innovative tourism management approaches

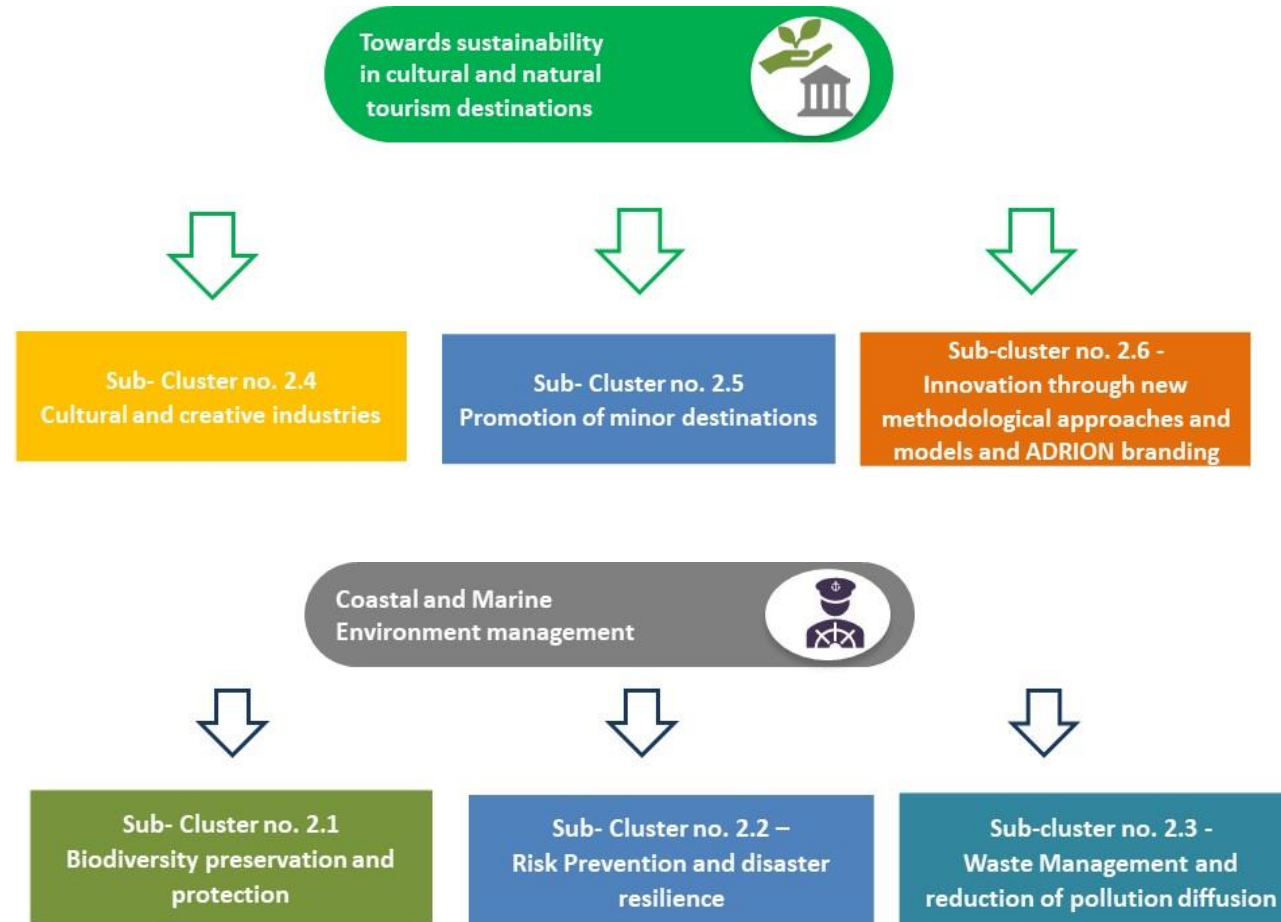

Coastal and Marine
Environment
management

It includes the necessary elements to handle the management of coastal and marine spaces in an integrated way: preservation/protection of biodiversity; risk prevention and disaster resilience; pollution diffusion and waste management; sustainable blue economy growth support.

ADRION Thematic Clusters: possible further development

The two planned Thematic Clusters can be further disentangled if at least three projects show interest in one of the proposed additional sub-clusters:

ADRION Thematic Clusters: envisaged activities

Capitalization activities can be chosen among those of the following menu:

1. **Organization and active participation to at least 3 Thematic Cluster meetings** with the involvement of all projects involved in that Thematic Cluster;
2. **Participation to the ADRION Annual Event in 2020 and/or ADRION capitalization events**
3. Contribution to the **update of the new ADRION web section on Thematic Cluster**;
4. **Organization of at least 1 macro-regional event for the dissemination of Thematic Cluster outcomes and potentials; and/or at least 1 joint stakeholders' meeting addressing common interest**;
5. Elaboration of a **joint brochure and /or report on the outcomes of Thematic Cluster activities and its potentials**;
6. Elaboration of **specific analysis in the fields/sectors/ themes covered by the specific Thematic Cluster and/or position paper/policy paper / recommendations for influencing the policy debate** in the theme of the Thematic Cluster
7. **Identification /elaboration of project ideas** to be financed in the framework of the next programming period;
8. **Extension/widening the existing created networks**;
9. **Widening the scope of the planned outputs, as result of cross-fertilization activities performed** (e.g. revision of the project strategy/action plan considering the new multidisciplinary approach).
