3rd ADRION ANNUAL EVENT & 2nd CAPITALISATION EVENT

MAIN GOAL

Promote caves as part of the natural and archaeological heritage of the Adriatic and Ionian region and as alternative tourist destination contributing to reduce tourist seasonality

Development of “Adriaticaves”, a new International brand for caves route

Development of an action plan for better management and conservation of caves still not open to the public

Set-up a permanent network of speleo guides and other experts

Development of the Charter of caves, an international strategy for sustainable improvement of accessible caves, to be developed in close cooperation with tour operators and local administrators

ADRIATICAVES

ecosystem network

The new International brand route of caves "Adriaticaves" is a new international brand for minor and sustainable tourism caves, linked to protected areas or sites of natural or historical interest, for holistic and cultural tours all-round, to be used as a motor for the tourist development of the Adrion areas.
