

## **5<sup>th</sup> IPA ADRION MONITORING COMMITTEE MEETING SUMMARY**

**10 July 2023, online**

The fifth IPA ADRION Monitoring Committee meeting took place online on 10 July 2023. The Monitoring Committee went on with the definition of the content of the three strategic projects that will support the implementation of the macro-regional governance EUSAIR, as well as some technical aspects like budget and overall duration.

The expression of interest for the granting of the strategic projects shall not be open to the public but addressed to pre-identified partnerships only.
